

# Preparing Your Child for Standardized Testing in Elementary School

A University of Family Learning Workshop

**Testing is required in all CCSD schools for two main purposes. One is to find out how well an individual student is learning in the classroom. The other purpose is to find out how well the school is meeting local and national benchmarks for student achievement. We will present assessment examples and ways parents can help relieve test anxiety, stress, and pressure.**

Wednesday, February 27, 2019

9:30 a.m.

Marshall C. Darnell Elementary School

9480 W. Tropical Pkwy.
